WILLCOX UNIFIED SCHOOL DISTRICT REQUEST FOR QUOTE – E-RATE ELIGIBLE SERVICES NETWORK MODULATING EQUPMENT

DATE:December 21, 2023DUE DATE:February 8, 2024

The Willcox Unified School District is requesting quotes for network modulating equipment per the detailed specifications and quantities listed below to support a dark fiber, self-provisioned fiber or non-fiber wide area network. The District currently has a request for dark or lit fiber services and this equipment would facilitate the connection if a dark fiber provider is selected.

The contract start date is anticipated to be July 1, 2024, or upon notification of approval of E-Rate funding for this project; at the District's discretion. In any case, no work will begin prior to July 1, 2024.

The District is seeking services and pricing through an approved State Master Contract or other Cooperative Purchasing Contract that is acceptable according to the Arizona State Procurement Rules. Please be advised that this is a Request for Quote and not a formal sealed RFP/Bid process. Arizona State Procurement Code requires a formal sealed bidding process; or purchasing from an approved cooperative purchasing contract, or compliant consortium procured contract for any procurement in excess of \$100,000.00. Any quote whose total value exceeds \$100,000.00 and is not linked to a current approved cooperative purchasing contract, or a compliant consortium procured contract will be disqualified by Arizona State Procurement Code.

Quotes should be delivered electronically to email address <u>erate@wusd13.org</u> no later than the posted due date. Quotes can be mailed or delivered in person to the District Office. Extensions may be requested up to three days prior to the posted due date. Extensions will be granted at the District's discretion. It is the prospective vendor's responsibility to deliver the requested quote on or prior to the posted due date and time.

The submission of a quote will indicate that the prospective vendor understands the requirements and specifications and that the services and materials requested can be supplied, and the required delivery time line can be met as specified.

Please direct all questions and requests for information to Kevin Davis via email at erate@wusd13.org.
